With the focus on all aspects of volleyball, training groups are established that ensure campers instruction at their skill level. This camp is a must for players of all levels trying to brush up on fundamentals or learn the game for the first time. Our expert instructors, working within the group framework, train each camper to make her a better player and competitor.

### PASSING AND DEFENSE/LIBERO CAMP July 25-26

The Passing and Defense/Libero Camp is designed to help players improve their backcourt skills including passing, individual defense, team defense, serve receive and serving. This camp is a must for anyone wishing to improve in any of these areas. Campers will be placed in small groups according to age, skill level and experience.

The Hitters and Setters Camps are advanced skills camps designed to focus only on the aspects of each of these important positions. Setters Camp will cover footwork training, set location, play sets, setter defense, emergency techniques and running an offense. Setters Camp is open to all 7-12 graders, beginning to advanced skill levels. Hitters Camp is open to 9-12 graders. Both camps will be divided by age, skill level and experience. Enrollment is limited for these specialty camps.
